Notice of ILWU Local 142 Election

ADDRESS LABEL

This issue of the Voice of the ILWU is your official notice of the 2006 ILWU Local 142 Election. It contains the positions and candidates who will appear on the ballot and the dates, times and locations of voting for your unit.

This issue also contains statements and photographs submitted by candidates.

The dates, times and locations of voting for your unit are listed separately by division—Hawaii, Maui, Kauai, and Oahu—and sorted by unit number. Look up your unit number or company name and take note of the dates, times, and locations indicated for your unit.

For most members, **THERE WILL BE NO OTHER OFFICIAL NOTICE OF THIS ELECTION.** Some units may post this notice on their union bulletin boards, but this is not required for all units. In a few cases, where there is an error or change in

this notice, members may receive an updated notice in the mail. However, for all other members, this will be your only notice of this election.

Candidate statements

All candidates in the upcoming ILWU Local 142 elections had the equal opportunity to submit a photograph and statement which would be printed in this issue of the VOICE of the ILWU. The deadline for submission was 4:00 pm, October 13, 2006.

The statements were limited to 200 words and those statements longer than 200 words were cut to the last complete sentence.

Otherwise, the content of the statements are printed exactly as received, with no editing for spelling, punctuation, or grammar.

All attempts were made to preserve the physical appearance of the original statements—capitalized words, underlining, boldfacing, italicizing, and centering of text were maintained. However, all statements are printed with the same fonts and font size, except where limited space required a smaller font size.

Some candidates did not submit a statement or photo. Their names are printed and we indicate that they did not submit a photo or statement by the deadline above.

Elections Committee

The Elections Committee of ILWU Local 142 is made up of one representative from each Division. The current members are Earl

Totten from Oahu, Wilma Revilla from Hawaii, Herbert Kekuawela from Kauai, and Star Medeiros from Maui. ♦

400 meet in 24th ILWU Local 142 Convention

ILWU democracy puts the members of the union in charge—they take charge by meeting in Convention to decide the policies and programs of the union, set the finances and budget, and make all

other rules which govern the union.

The Convention is the highest governing body of ILWU Local 142. It is held once every three years in the month of September.

This was the 24th Convention and it was held from September 25-29, 2006, at The Ritz-Carlton Kapalua on the Island of Maui. This was the first time the Convention was held on a Neighbor Island

Local President

**Local President Candidate
Fred Galdones**

Aloha Brothers and Sisters:
I am humbled and gratified by your overwhelming support at the Local 142 Convention for my nomination as your President. My pledge is to serve the interest of the membership and the ILWU to the best of my ability.
The recently concluded Local 142 Convention adopted programs and the budget that will guide the Titled Officers for the next triennium. It

contains programs that addresses negotiations, education to cultivate new leadership, organizing to build our declining membership, expand the VEBA program, the Pension Protection Act problems and many others. We can finance these programs while maintaining our current dues structure. We believe these programs will keep our organization strong and viable. You should get involved by attending the membership meetings to learn about them, share your thoughts and vote to ratify them.

We must get our membership to understand the importance of getting involved in the political arena. Decisions by President George Bush and the Republicans have reduced many of our hard earned benefits.

We need to stay united and involved in order to advance our cause.....to improve our living standard and provide a better future for our children and their children.

Kauai Division Candidates

**Division Director Candidate
Clayton W. Dela Cruz**

I would like to take this opportunity to thank the members of the Kauai Division of the ILWU Local 142 for your past support of me, as your Division Director, and humbly ask for your continued support in the upcoming election.

I promise to do my best in servicing you as your Division Director for the coming years.

Mahalo & Aloha,
Clayton W. Dela Cruz

**Business Agent Candidate
Thomas Contrades**

Aloha. My name is Tommy Contrades and I am a candidate for the position of Business Agent. I am presently employed at the Grand Hyatt Kauai Resort and Spa as a Convention Services Houseperson. My employment at the Grand Hyatt has given me the opportunity to gain new insight into the hotel industry. With my years of experience as a former tour driver and business agent and my learning experience at the hotel, I feel I have necessary knowledge to represent all of our members on Kauai. I humbly ask for your support. Mahalo.

**Business Agent Candidate
Duane E. Carveiro**

Aloha! I'm Duane Carveiro and I would like to represent you as Business Agent for the Kauai Division. Born and raised here on Kauai, and as a working class, I believe I can better serve union members by building a positive relationship on how to better improve our union for the working members.

Presently as unit chair, I have aggressively on numerous occasions enforced the rights of our union members by confronting management on various conflicting issues without hesitance. I feel very passionate about obtaining a brighter future for ILWU members here on Kauai. If elected, I will work diligently for ILWU members to improve working conditions, higher wages, obtain exceptional health coverage, and to increase your pensions. Let's work together to obtain these goals.

Mahalo for your support.

**Business Agent Candidate
Pamela Green**

I heard a quote that I would like to share, "Leaders don't create followers, they create more leaders." We need a spirit of commitment, a sense that we are all in this together. If we have no sense of commitment the ILWU could wither and die. To often egos get in the way and we lose sight of what we care about and what is important. We need to open the lines of communication with our members so that they feel safe in vocalizing their disagreements and concerns. The fight shouldn't be between each other because we may not see things the same way...we should learn to disagree and continue to keep our focus on improving the working conditions of those members we represent. It is vital to our Union existence that our members choose to get involved and want to take ownership of their Unit.

The Company needs to feel the presence and strength of the ILWU...It Is In Our Membership!

It has been an honor to serve as a Business Agent for Kauai, I would like to ask you once again for your vote.

Mahalo,
Pamela Green

**Business Agent Candidate
Michael Machado**

As we move forward into the future, there are changes; and with any change there is adjustment. The union faces this dilemma along with everyone else. I want to see the Union handle these changes in the most positive and productive manner which benefits our members in the best possible way.

**Business Agent Candidate
Steven Weinstein**

Aloha, My name is Steven Weinstein I am a candidate for ILWU Business Agent for Kauai. I have been a member of the IL WU for 27 years, working at Olokele Sugar / Gay & Robinson. I have been the Unit Chairman for 14 years and an active member of the Kauai Division Executive board since 1992. I was elected and served on the Local Executive board 1997-2000 and have attended several Local and International Conventions.

In 2003 I was appointed by our Mayor to serve the County of Kauai on the Planning Commission and was elected Chair in 2005, I have learned from all these experiences and hope to be able to serve you as your Business Agent

As a Business Agent I will continue to work hard to help all members on Kauai with whatever problems, concerns or just questions that you may have. I will defend your rights and I will fight for you to get what you deserve. I will also help to build up the Union at your workplace and give you the support you need through education and knowledge. I humbly ask for one of your votes in the upcoming election. Mahalo.

**Division Trustee Candidate
Ramona Dotario**

My name is Ramona "Mona" Dotario and I am running for Kauai Division Trustee. I was raised in an ILWU family, where my father was a member for over 30 years while working at the Lihue Plantation Company. I, myself, have been an ILWU member for over 10 years.

I have been active in the Sports Program, volunteer at the Kauai Pensioner's Picnics, attended both the 2006 International and Local Conventions, worked in Organizing on Oahu and Kauai, am the Treasurer for my Unit #3410 and am currently participating in the 'Walk and Talk' Program.

The first and foremost reason that I am running for Kauai Division Trustee is to serve you, my ILWU brothers and sisters. I know that my accounting background and my dedication will enable me to do the job. The second reason is to fulfill my quest for knowledge and a better understanding of the different aspects within the ILWU. It's true.. the only way to learn is to "get involved"!

I am ready, willing and able to take on the responsibilities and duties that the Trustee's position demands and it would be an honor to serve as your Trustee. Thank you.

**Division Trustee Candidate
Doreen Kua**

No statement submitted

I am the current ILWU Local 142 Trustee for Kauai Division, First of all, prior to getting sworn in, I was told by a fellow Local Trustee and Chairperson, Nate Lum, "just remember one thing, you will wear the biggest target on your back from this day on throughout your term as a trustee". And so be it. I didn't care if that was what was going to happen, I was there to do my job as the Kauai Division Trustee and represent the RANK-AND-FILE, you, my fellow brothers and sisters of ILWU Local 142. I also serve as the Unit Chairperson/Editor for Wilcox Hospital, Unit 3410, on Kauai.

Vouchers decreased immensely over the last three years with the persistence of the Board of Local and Centralized Trustees. Financial statements were presented every quarter with questions answered to the Board's satisfaction.

If re-elected, I will continue to do my job as the Local Trustee, Kauai Division, to the best of my ability.

Dedicated, Organized, Responsible, Enthusiastic, Energized, and Noble (first letters spell out who you should vote for!)

**Business Agent Candidate
Isaac Fiesta Jr.**

Hello brothers and sisters! I want to thank all of you for your support during the last 15 years that I have served as a business agent for Hawaii Division. This year I am once again humbly asking for your support in the upcoming local election when I run for business agent.

I became a member in good standing from 1968 when I started working for Pepeekeo Sugar Company. My experience as a unit official first started when I became a steward, I then went on to serve as a garage chief steward, unit safety rep., steward council chair and division P.A.C. chair.

I first became a business agent in 1991 and I have gained a lot of experience in the following areas: unemployment insurance handling, workers compensation claims, grievance handling, arbitration hearings, spokes person in contract negotiations and also 1st time contracts. In addition to being a business agent I am presently the Hawaii Division Organizing coordinator.

Once again, I humbly ask for your support for me and the Hawaii Division team during the upcoming election. Sincerely, Isaac Fiesta Jr.

**Business Agent Candidate
Greg Gauthier**

My name is Greg Gauthier. I have been employed by the members of the ILWU since September of 2001. I have been very fortunate to have been part of a team of leaders in Hawaii Division who have taught me to be humble yet steadfast. Our work for justice could not be possible without the efforts and innovations of the unit leadership. Their commitment to the members they work with on a day to day basis is what inspires me to be a better person. Like me, many of our members have traveled a great distance to live and work in Hawaii and to partake in the democratic process that being an ILWU member affords. We owe it to them and all of our members to negotiate fair contracts. Our hard working members are not slaves, nor should we ever allow ourselves to think that we don't deserve a voice in the workplace and a say in our working conditions. God bless you, our ILWU members for your commitment to justice and thank you for allowing me to share this journey with you.

**Business Agent Candidate
Elmer Gorospe**

Aloha brothers and sisters, I would like take this Opportunity to say "Thank you" to all of the members of the Hawaii Division in supporting me for the past 3 years for which I have served as a Business Agent. During this past 3 years I have gain the experience and knowledge to service members from different industry such as Tourism, Macadamia Nut, Bakery, Golf Courses, Super Market, Trucking, Medical, and Mechanic Shops. I received training in workers compensation, Unemployment Insurance handling and contract negotiating, which I serve as a co-spokes person in several contract negotiations. As our Union faces many challenges, I am committed to serve the rank and file to the best of my ability, to assist all members and to continue to protect workers rights. Brothers and Sisters, I humbly ask for your continued support in this up-coming Local election when I run for Business Agent.

Aloha Sisters and Brothers,
In these hard economic times, living in the middle of the ocean can be very rewarding and difficult. We see first hand how the higher cost of living affects us here in Hawaii. We see the American dream of owning your own home become only a dream for our children. We are fortunate to be members of the ILWU. Participation is the key, get involved at what ever level your time permits. United we are able to recognize the problems we face and together make a positive difference. I have been a rank and file member of this great organization since 1975. In all of those years the many challenges we faced have made the ILWU stronger and wiser. More capable to handle the challenges ahead we stand united, educated, and ready to fight the fight. As a Full Time Officer since 1991, it has been an honor to serve you. I will continue to pledge and give my support to you any way that I can, "When in doubt check me out."

During my three years as the Maui Division Director I have been able to continue the work that I done while I was a Business Agent for many years and also manage the largest Division in Hawaii with over 8,000 members.

With the help of the Business Agents and the Unit leadership we have negotiated many contract agreements like Tri-Isle Inc; Island Movers, Kahului Trucking and Storage, Four Seasons Koele and Manele Hotels, Renaissance Wailea Beach Hotel, Royal Lahaina Resort, Ritz Carlton Hotel, Maui Prince Hotel, Ameron and Hawaiian Cement, Maui Pineapple Company, Lanai Construction Companies and Golf Courses, Kaanapali Golf Course, Wailea Golf Course, and many more. We have negotiated at the Lanai and Royal Lahaina Hotels free medical, dental and vision coverage.

We have helped the many members secure monetary settlements in Worker's Compensation benefits because of injures that they sustain while working.

We also helped many of our members in obtaining Disability Social Security and Pension benefits when they are unable to work because of injuries or illness. This is a tremendous benefit because many of our members will not able to maintain their way of life if they become ill and cannot work.

Aloha, my name is Jason Medeiros, Unit 2520 Grand Wailea, a candidate for the Local Executive Board. As a member of this Board, I will make it my responsibility to do everything I can to preserve the integrity of this Union. Make no mistake, this Union is a "special interest group", and our special interest is people, people like you and me, people who need Unions to look after our interest. It is my intention to try to revitalize our participation in our community. I believe that it is our responsibility. Our rich history has laid the foundation and the great leaders of the past have given us the guidance we need to serve. As a second generation Union member, my father instilled in me three values that I hold faithfully. He said son, there are three things you can always believe in—you can believe in God, you can believe in your family, and you can believe in your Union. While I may not have believed everything my father believed in during my youth I have grown to be my father's son. I believe in my God, I believe in my family, and I believe in my Union. Mahalo.

**Business Agent Candidate
Roberto "Bobby" Andrion, Jr.**

I would like to express my deepest gratitude to you for allowing me to serve you as your Business Agent. The last three years has been an exciting and rewarding experience of monumental growth in my life; thank you, for allowing me to be a part of yours.

I would like to continue actively providing growth to our Union by helping to organize the unorganized workers. Further, I would like to see a stronger political agenda to preserve the rights and benefits we enjoy today.

We must come together to help shape our Union so that it can move forward with a stronger foundation to better meet the constant challenges. We are at a crossroad where leadership will play an enormous role in determining our future as a Union. Let there be no mistake; we need this great Union (ILWU) in our corner as a vehicle to a better tomorrow.

As your elected Business Agent, I will be your bridge and your voice to insure that you have a level playing field. Let's come together as a team to preserve what we have so that we can plan for a brighter future.

**Business Agent Candidate
Joe Franco, Jr.**

Aloha, I am Joe Franco Jr - B.A. FTO - since 1990. Member Unit 2101 HC&S - 1975 to current. Served as Unit officer, LEB/IEB board members. Currently trustee for the Hotel and Pension Trust and Health & Welfare Trust.

This organization has gone through great challenges. The downsizing of agriculture, Tourism faced with disrespectful takeovers with employers "screw you attitude" forgetting that the employees make the resort for the return guest. Longshore unsupported by state and Federal Agencies—in the areas of security, jurisdiction, and safety concerns, but more concerned about corporation dollars (for who's pocket.)

Yet Local 142 members have made Historic milestones in the ILWU. Establishing a Health & Welfare Trust and a VEBA Trust in effort to maintaining Health care benefits—(slowing disappearing in this country.) Also with everything new there will be obstacles to be addressed only to become better.

Let's all move forward in an effort to sustain what we have and not take for granted how it came to be — and let's continue to make it better for now and in the future. Mahalo, Joe Jr.

Shane Ambrose**

Aloha, my name is Shane Ambrose and I am once again running for the office of Business Agent to represent the workers in Oahu Division. It has been a very humbling experience over the past three years filled with many successes and with much hardship. I humbly ask for another opportunity to serve the membership and to expand my knowledge and experience to better service you.

I became a member in 1990 when I started working at Foodland Supermarket Ltd. as a Courtesy Clerk. I eventually became a Grocery Clerk and served as a Shop Steward and later as a Unit Officer. I also served on the Local Executive Board from 2000 to 2003 representing Oahu. This gave me an opportunity to really see how the Union works for us. Prior to being elected as a Business Agent in 2004 I served as a temporary Business Agent and Division Clerk which provided me an opportunity to learn the basics of the job.

I really appreciate all time and effort put in by the members, leadership, retirees and staff of this great Union who continue to educate and inspire me to serve. Thank you for your gift.

**Business Agent Candidate
Brandon Bajo-Daniel**

Aloha, My name is Brandon Bajo-Daniel and I have served as a Business Agent for the past 6 years. My roots are from the Pineapple Industry where I was both raised and later worked as a welder. It is in this community that I was taught the values of hard work and respect. I learned that those that labor deserved a voice to uphold their integrity, someone to speak out and challenge the morals of a company's actions.

It is always an educational and rewarding experience for me to represent the rank and file member's of all my units. With each learning and negotiating of a unit's contract I have gained skills and insight that I can then share with my brothers and sister's. And then, there is always the personal satisfaction in fighting for what's right and fair.

Del Monte is on the verge of closing down and while this corporation may cease operation I am confident and proud of the work ethics taught to me by this industry. It has been a privilege to have served my Pineapple family and it will be an honor to be given the opportunity to serve you.

Mahalo for your support.

**Business Agent Candidate
Karl Lindo**

Aloha brothers and sisters. I have served the ILWU as a Business Agent for the past 12 years with the belief that I can make a difference for our members and their families. As in any job, being a Business Agent can be tough with many challenges that we need to overcome. It is only with the support of the Unit Officers, Stewards and membership that we can be successful in fighting to improve and protect your rights and benefits as Union members.

A very important part of our Union is for all of us to give back to our organization because this is what makes the ILWU a great Union. It is really an honor for me to serve our Union but more importantly to share the knowledge that I have learned with the Rank and File Leadership so that we continue to build the ILWU for the future.

I would like to thank the Unit Leadership for their dedication and hard work in helping represent their members and also the membership for their support this past 3 years and for the future. Mahalo!

Larry Ruiz**

Aloha members! I've been a member of the ILWU for the last thirty-five years. I started this life long membership with the ILWU as a pineapple field worker and continued as Foodland employee. I got involve with the Union as a steward in 1976 and held various unit offices up to the time I became Chairman in 1997. I've been a delegate to the Local Convention since 1985 and have experienced being a delegate to the International Convention as well.

I grew up not knowing a lot about the ILWU until I became a member. My Dad was a longshoreman and my uncles worked for the sugar and pineapple plantations. They worked very hard to provide for their families. Being a member of the ILWU I've come to appreciate what the Union did for them. I've seen what being in this great Union brings to our members a better quality of life.

I believe that this Union of the people, for the people and by the people will not be complacent in protecting your quality of life. With your vote I humbly ask that you please allow me to continue to work for you.

The rank and file members should run our Union. This means our elected union leaders should take their direction from the membership and not act like bosses. As your business agent I will listen to your concerns, will do my best to represent you, and work hard to keep our Union united. We should all be working together for the betterment of our union and membership. If you don't get more involved by participating in your Union programs, then you risk the chance to lose the labor benefits we all enjoy today.

I believe that my nearly 29 years experience in the IL WU Local 142, at Steward, Unit Officer, Trustee, Division Executive Board, International Executive Board, Business Agent and Sports Coordinator levels makes me uniquely qualified to take an active part in our Union. I know how ILWU operate and can use my experience to ensure that your needs will be met.

I want to take this opportunity to thank you, the rank and file, for your support the past twelve years. It has been a great honor to serve as a Full-Time Officer. Again, I ask for your continued support in this up-coming election. Mahalo.

24th Convention—continued from page 1

and the first time at an ILWU organized hotel. The Conventions have always been held in Honolulu and usually at the Ilikai Hotel.

Approximately 370 rank and file members from ILWU units throughout the State of Hawaii attended the Convention. About 29 fraternal delegates (mostly retirees) and guests from Mainland ILWU locals and elsewhere were also in attendance.

Maui Division had the largest group with 147 participants, followed by Oahu with 85, then Hawaii with 60, and Kauai with 42 participants.

The theme of the Convention was "Building the ILWU Today for a Better Tomorrow." This

theme reflected the need to develop the next generation of leaders within the union.

The work of the Convention took five days of meetings and discussions to complete. On the first day, delegates worked in one of three committees to review the work of the union in contract administration, political action, education and publicity, and membership services.

On the second day, delegates continued their work in two different committees. One committee reviewed the officers' report, organizing, and resolutions. The second committee reviewed amendments to the ILWU's constitution and by-laws. The work of all five committees must then be

approved by the entire Convention.

On the third day, delegates adopted a budget to pay for the work of the union for the next three years. Delegates adopted a budget which maintains the services and programs of the union with no change in union dues.

On the fifth and last day, delegates nominated the candidates for the three top officers of the union and the industrial grouping members of the local executive board.

The three incumbent officers were nominated without opposition. Fred Galdones was nominated as Local President. Donna Domingo was nominated

as Local Vice President. Guy Fujimura was nominated as Local Secretary-Treasurer. The Convention ended with the delegates forming a circle and singing Hawaii Aloha. The next Convention will be in September 2009.

The actions of the Convention must be submitted to the membership of the union for their approval. Ratification meetings will be held in October and November in all Divisions to give members a report of what happened at the Convention and to get their vote of approval.

The next issue of the Voice of the ILWU will contain more details on the work of the Convention. ♦

ILWU Political Action

Help with political action

Can you spare a few hours this week?

The November 7 General Election is only a few days away and we need to elect candidates who will work in the best interest of working families.

There's a lot to do and we need your help.

Would you be willing to pass out voter reminder cards to members in your unit? Hold signs before or after work? Come to the union hall to stuff envelopes? Make phone calls to members? Spend a few hours on the weekend walking house to house? Help drive people to the polls or remind them to vote on election day?

Help support your union's Political Action Program.

If you can volunteer some time, please call your Business Agent, the Division Office, or talk to your unit officers. Or you can make a donation to the ILWU Political Action Fund (this was mailed to you from the International ILWU recently).

Get rewards

Participate in the Union Rewards.

All ILWU active members, pensioners and their families who participate in political action activities receive entry forms for prize drawings that will take place after the November General Election. Call your Division PAC Coordinators at the number(s) below for details on how you help out with political action and have a chance to receive rewards, too.

Your vote counts and your help can make the difference in the upcoming election.

Don't forget to vote—either by absentee ballot or at the polls on Tuesday, November 7, 2006. If you need help getting to the polls, call your union office today!
