The VOICE of the ILWU—Published by Local 142, International Longshore & Warehouse Union

September/October 2015

# **Notice of ILWU Local 142 Election**

This issue of the Voice of the ILWU is your official notice of the 2015 ILWU Local 142 Election. It contains the positions and candidates who will appear on the ballot and the dates, times and locations of voting for your unit. This issue also contains statements and photographs submitted by candidates.

The dates, times and locations of voting for your unit are listed separately by geographical division—Hawaii, Maui, Kauai, and Oahu-and sorted by unit number. Hawaii Longshore Division voting schedules are listed as they have been in the past; they are included in the geographical division where the unit is located. For example, the Unit 2201 -Kahului Stevedores schedule is included in the Maui Division list. Look up your unit number or company name and take note of the dates, times, and locations indicated for your unit.

For most members, THERE WILL BE NO OTHER OFFICIAL NOTICE **OF THIS ELECTION.** Some units may post this notice on their union bulletin boards, but this is not required for all units. In a few cases, where there is an

error or change in this notice, members may receive an updated notice in the mail. However, for all other members, this will be your only notice of this election.

### Absentee voting by mail under limited circumstances

Beginning with the 2015 Local Election, a new procedure will be introduced that permits secret ballot absentee voting by mail under limited circumstances. It does not replace regular ballot box voting at the worksite. In order to vote by absentee mail ballot, you must meet at least one of the following conditions:

- 1) Not able to be at the regular worksite during the election period due to off island vacation or leave of absence;
- 2) Not able to be at the regular worksite during the election period due to sick

3) May not be able to be at the regular worksite due to certain industry or company practices, such as labor loan, work from home, training off island, etc.

### **Absentee mail ballot** request procedure

The request procedure has two parts. 1) First, contact the Local Election

Committee for an official request form. All requests for absentee ballots must be made on the official form. To receive an official form, write to: Local Election Committee, 451 Atkinson Drive, Honolulu Hawaii 96814, or e-mail absentee@ ilwulocal142.org.

- 2) After you receive the official request form and fill it out completely, submit it together with documentation on the reason for the request (for example, a photo copy of airline reservations).
- 3) The official form must be received by the Local Election Committee at 451 Atkinson Drive, Honolulu Hawaii 96814, or at absentee@ilwulocal142.org no later than 4:00 p.m. on November 10, 2015. This is the last day to request an absentee ballot.

Absentee ballots will only be sent to the member's home address, which will be taken from the union's membership database, unless a correction is provided by the member.

## **Candidate statements**

All candidates in the uncoming ILWU Local 142 elections had the equal opportunity to submit a photograph and statement which would be printed in this issue of the VOICE of the ILWU. The deadline for submission was 4:00 pm, September 30, 2015.

The statements were limited to 200 words and those statements longer than 200 words were cut to the last complete sentence. Otherwise, the content of the statements are printed exactly as received, with no editing for spelling, punctuation, or grammar.

All attempts were made to preserve the physical appearance of the original statements-capitalized words, underlining, boldfacing, and italicizing were maintained. However, all statements are printed with the same fonts and font size. Limited space required the removal of double-spacing between paragraphs.

Some candidates did not submit a statement or photo. Their names are printed and we indicate that they did not submit a photo or statement by the deadline.

## **Elections Committee**

The ILWU Local Election Committee is made up of one representative from each Division. The current members are Francis Kamakaokalani from Maui Division, Peter Morishige from Kauai Division, Tristie Licoan from Hawaii Division, Allen Rabut from the Hawaii Longshore Division, and Eddie Sekigawa from Oahu Division.

> The Longshoremen's Bond of Solidarity

To exercise the freedom my union gives me and voice my opinion. To work always watching out for each brother and sister's safety on the job. To stand on union principle and stand as One when the issue needs a decision to be made. To protect the docks from foreign ships. To resist any and all forms of union corruption. To promote freedom of belief, thought and speech among fellow Longshoremen and union brothers and sisters. To protect the collective bargaining process and exercise Robert's Rules in meetings. To Stand in Solidarity against all those who try to divide our great Union and our docks. This Bond of Solidarity is what a Longshoreman is made of. Without us there is nothing possible. It is only with our disunion that wrong is done to us. When we are hasty and distrustful and play off against each other is when no Progress is made. And the creed of Solidarity is only this:

That We Stand Together.

Business Agent Candidate Roberto "Bobby" Andrion Jr.

Business Agent Candidate Joseph "Joe" Aquino

Aloha Brothers and Sisters,
My name is Joseph Aquino, I'm a
millwright at HC&S and I'm running
for Business Agent, Maui Division.
Originally from Molokai, I'm no stranger
to the union. My mother was a member
while working at the Sheraton Molokai
and a shop Steward. I was in the 5th grade
back then, but I remember her talking to
family and friends about their rights and
responsibilities as a BU member. I've also
witnessed a strike at the hotel and watch
the members stand up for their rights
of better pay, benefits and safe working
conditions.

I believe in the union and what it stands for. Some may have doubts, but remember this, without you this union cannot exist. Let's work together in bringing that confidence and strength back into our working areas'.

I was an Editor for my unit. In 2013 I received the "best editor" award for Maui and a runner up in 2014. I was in charge of new membership and workers' compensation. I sat in as a temporary BA and a member of the bargaining team. I was also an active participant with our PAC. I humbly ask for your support and vote.

Business Agent Candidate Jerrybeth (JB) De Mello

It has been a pleasure in serving you as Maui Division Business Agent for the last elected 8 terms. The next 3 years will emphasize on educate, continuous training for upcoming leaders, in our membership as my moto "today we follow and tomorrow we lead." There can be no greater urgency then too maneuver our union to better meet the challenges that is before us.

I need to say a sincere mahalo to all of our unit officers/stewards for their thankless time and dedication in assisting their fellow members through difficult hardships with changes of ownerships, landowners, managerial companies that is hard of an adjustment for everyone. Most members wondering if their jobs, benefits are secure in this sporadic time.

I'll repeat this as many times, the "ILWU banner has always been branded in my family for four (4) generations from Pineapple Plantation to Tourism. I emphasize to my love ones that almost everything we purchase is bought with hard earned-union wages. They know without the union, we could not enjoy a better opportunity and future." This is one of my greatest teaching not too lose sight of.

Business Agent Candidate Claro Pascua Romero Jr.

## **Maui Division Candidates**

Business Agent Candidate Cyrus M. Kodani

Aloha brothers and sisters! I humbly ask for your support in this upcoming election. I have been a hotel employee and ILWU member for more than 37 years. As a Hyatt Regency Maui rank and file employee (Unit 2516), I served as a Steward (2005-2007) and Unit Chairman (2007-2013). During this time, I successfully participated, helped to facilitate several contract negotiations and served as a Delegate in several local and international conventions. In addition, I participated in contract negotiations at the Makena Beach (2011)

I served as an International Executive Board member representing Tourism (2009-2012), Local Executive Board member (2009-2013) and served on the Political Action Committee (2012).

I frequently filled in as a temporary Business Agent (2008-2012) and gained valuable experience servicing several different units.

I am completing my first term as a fulltime Business Agent (2012-current) and have represented Westin Maui and Makena Beach. I currently represent The Hyatt Regency Maui, Andaz Wailea, and Pulama Lana'i.

I would consider it an honor to serve the great members of Local 142. You deserve a hardworking advocate and I am willing to meet this challenge with dedication. Mahalo for your vote.

Aloha Brother and Sisters,

As the current Maui Division Director, it has been my honor and pleasure to serve you over the past three years. There have been many challenges to include many negotiations and closure of some units but have worked diligently in the best interest of our members. The next three years will be just as challenging, but by working together we can accomplish many of our goals. I humbly ask you for your support and allow me to serve you as your Maui Division Director.

In Solidarity, Stephen "Steve" Castro Sr. The exact appearance of names in this issue of the VOICE of the ILWU may differ from the actual ballot. The names in this issue are our best interpretation of the name of the candidate, based on petitions submitted for candidates nominated by petition, or Convention credentials for candidates nominated at the Convention. Exact names will be determined by a candidate review of the sample ballot.

## **Oahu Division Candidates**

## Division Director Candidate Michael S. Yamaguchi

Let me first begin by humbly thanking you for your support. It's an honor to serve you as Oahu Division Director. Like me, I know you believe that the rank and file is the bloodline of the ILWU. I became a rank and file member at the Hawaii Newspaper Agency in 1996, and served as Shop Steward, Unit Secretary, Unit Editor, Business agent, Local Representative and Division Director.

As your Division Director, I will continue to lead us forward, stronger and more unified. With education, transparency and teamwork, I will continue to build the Oahu Division to protect your rights.

As work environments evolve, we must be respected by employers and successfully negotiate with them, always being mindful of our member's issues. I have established constructive relationships with employers, which has led to the negotiation of favorable contracts and positive outcomes for displaced members from multiple Companies.

My experience as The Honolulu Liquor Commission Chairman and Honolulu Fire Commission Vice – Chairman further enhances my leadership skills, which I will use to move the ILWU forward.

I humbly ask you again to support me, Mike Yamaguchi, for Oahu Division Director. Together, we will continue to grow ILWU's proud legacy. Mahalo

Business Agent Candidate Wilfred "Wil" Chang Jr.

In 2012 I took the opportunity to run for elected office. At first I questioned "why would I even consider an enormous undertaking?". I came to the realization that everything in my life up into this point came with some type of challenge. I ran not the be a placeholder, I ran to be a part of positive change. In the past three years I have accepted the challenges and responsibilities of being a full time officer. I would like to continue serving the member ship. Given the the opportunity I'm confident I can help strengthen "our" union through political action program. I also support the idea of embracing and mentoring our new members. I understand the vision of the ilwulocal 142, I humbly ask for your support.

Wilfred Chang

Business Agent Candidate Paris Fernandez

It has been an honor to serve you these past 3 years as your ILWU Local 142 Oahu Division Business Agent. I am dedicated and committed to serving you for another 3 years. My passion to work diligently to represent all of you has not faded; it has become stronger and will continue to grow even stronger.

Within these past 3 years, I have built relationships with our members and have shared their trials and tribulations with all of you.

My name is Paris Fernandez and I humbly ask for your continued support to re-elect me, as your Business Agent because I live and breathe *Integrity*, *Loyalty*, *Will*, and *Unity*.

Business Agent Candidate Dillon M. Hullinger

My name is Dillon Hullinger and I am running for re-election as a Business Agent for the Oahu Division. I have been an ILWU member for 26 year's; during that time I served the Foodland unit as a steward, a unit vice chair, and unit Chair. For the past 5 years I have served as a business agent representing numerous different units and members.

During these 5 years as a business agent I have learned numerous new strategies in regards to negotiations, contract enforcement, grievance handling, and membership servicing. I have represented a vast array of units and this has helped me to learn how to solve issues, concerns, and problems for the members that greatly differ from one unit to another.

I believe it is important to educate and increase involvement of our young members and future leaders of the union. One of the best ways to do that is to share your experiences and knowledge with them. This allows them to take control and solve things at their unit and work site.

I humbly ask for your support to allow me to continue to service your units and represent the membership of this division as a business agent.

## **Oahu Division Candidates**

**Business Agent Candidate Karl Lindo** 

First, I want to thank all of the Unit Leadership for your dedication and hard work this past three years in helping take care of our members.

Before I became a Business Agent in 1995, I was a member at Hawaiian Waikiki Beach Hotel from 1989 and served as the Unit Vice-Chair and Chair. Then I was an Organizer for the union trying to help nonunion workers join the ILWU as members.

As a Business Agent for 21 years, there have been many challenges in representing our members. Learning how to negotiate contracts, filing grievances, helping workers address problems to hopefully improve and better their lives at their jobs.

For me, the most important part is sharing and passing on the knowledge that I've learned by educating our Unit Leaders, Stewards and Members how to build a strong Union at their workplace and what the ILWU stands for. You are the difference in how strong we are as a Union and how effective we are as Business Agents.

All of you have been a very important part of what I have been able to accomplish in all my years representing our members as a Business Agent.

Mahalo for your support.

**Business Agent Candidate** Jose Miramontes Jr.

Aloha my sisters and brothers of this great Union it has been humbling and a honor to represent all of you for the past 3 years. These past 3 years has been a struggle for some of you but with perseverance and dedication to the cause we have overcome our obstacles. With working with Pensioners and Chair of Political Action program I have understood the fight isn't over to protect our Pensioners and laws that try take benefits from the working class. I pledge to you to protect those benefits when negotiating contracts on your behalf.

As involved with organizing the Unorganized we have seen the struggles that non-union members have to endear. I have been representing members since 2000 as shop steward in my own unit to present as your Business Agent. As a second generation union member with a background in warehouse and distribution I can quickly adapt to any situation that may arise within our division.

I am humbly asking for your continued support for the next 3 years as your Business Agent for Oahu Division.

**Business Agent Candidate** Brian S. Tanaka

Experienced, Qualified, Dedicated. What I believe in and What I will work for.

The rank and file members should run our Union. This means our elected union leaders should take their direction from the membership and not act like bosses. As your business agent I will listen to your concerns, will do my best to represent you and work hard to keep our Union united. We need more democracy in our Union, not less. If you don't get more involved by participating in your Union programs, then you risk the chance to lose the labor benefits we all enjoy today.

I want to take this opportunity to thank you, the rank and file, for your support the past 21 years. It has been a great honor to serve as a Full-Time Officer. Again, I ask for your continued support in this up-coming election. This is your Union – a democratic union. Your voice will be heard only if you vote and get involved.

I ask you to give serious consideration to the other candidates who will work together in the interest of our membership, and who are honest and dedicated to continue the rank and file control.

**Local Executive Board Division Representative Candidate Donna Hamabata** 

Hi, I'm Dona Hamabata from unit 4405 Foodland, where I work as a receiver at the Kaneohe store.

I have been an active union member for the past 21 years. I began as a steward, than over the years held different positions from secretary, treasurer, vice-chair and currently serve as co-chair of our unit. I have also been involved in our Foodland state-wide caucuses and negotiations.

On the division and local level I have helped with community service events, organizing drives, served as a temporary business agent, served as a delegate to the local and international conventions, and currently serve as an appointed Centralized Trustee representing General Trades.

I humbly ask for your support and for your vote in the 2015 Elections for the position of Local Executive Board.

Thank You!

# **Highlights of the 27th ILWU Local 142 Convention**

ILWU democracy puts the members in charge of their union. They do this by meeting in convention to decide the policies and programs of the union, set the finances and budget, and make all other rules which govern the union. The Convention is the highest governing body of the union. It is held once every three years in the month of September.

The 27th Convention of the ILWU Local 142 was held from September 21-25, 2015, at the Hilton Hawaiian Village Waikiki Beach Resort in Honolulu, Hawaii. A total of 320 rank and file members were in attendance. Included in the total were the three Titled Officers and the four ILWU International Officers. The delegates and observers were elected by members from ILWU units throughout the State of Hawaii. There also were 58 fraternal (retirees) and guests from Mainland ILWU locals in attendance for a total of 378 participants.

Hawaii Longshore Division sent 59 delegates, 101 delegates represented Maui Division, Oahu Division was represented by 63 delegates, Hawaii Division had 56 delegates, and Kauai Division sent 34 delegates.

The delegates worked hard for five days and a few night sessions. Local President Donna Domingo began the Convention by calling it to order. Unit 2401 Pulama Lanai (Heavy Division) Vice Chairperson Garrett Hera then delivered the invocation. The Royal Hawaiian Band—founded in 1836 by King Kamehameha III—then played the Star Spangled Banner and Hawaii Ponoi.

Local Vice President Teddy Espeleta requested that the Convention observe a moment of silence in remembrance of our departed union brothers and sisters in the past triennium. U.S. Representative Mark Takai welcomed the delegates and acknowledged the importance of the ILWU in changing Hawaii for the better. The ILWU brought together all the different ethnic groups as one and used the strength of coming together while the plantation owners were trying to keep them apart.

## Committees review the work of the past three years

After guest speakers ILWU International President Robert McEllrath and U.S. Representative Tulsi Gabbard addressed the Convention, the Convention was recessed and the delegates headed to one of four committees: Constitution; Officers' Report and Resolutions (including Organization); Contract Administration; and Programs, which included membership services, sports, Memorial Association, publicity, education, library and archives, housing, and political action.

## "Why Unions Still Matter" presentation

On the second day, guest speakers ILWU International Vice President (Mainland) Ray Familathe and ILWU International Secretary-Treasurer Willie Adams addressed the Convention. Guest speaker Grainger Ledbetter, a Labor Education Specialist from the University of Alabama, Little Rock, Institute for Economic Advancement conducted a lecture on "Why Unions Still Matter". After the presentation the convention was recessed and the delegates resumed their work in the four committees.

# Triennial budget discussed and adopted

On the third day, U.S. Senators Brian Schatz and Mazie Hirono addressed the Convention via videos because the Senate was in session. Delegates adopted a budget for the next three years and approved the reports on the work of the committees that had completed their work. This included adopting several constitutional amendments and resolutions. In a night session, guest speaker Grainger Ledbetter conducted a workshop on creating a vision and developing an action plan as a follow-up to his previous lecture.

On the fourth day, delegates continued to approve committee reports and adopt resolutions. Before recessing, the five Industrial Groupings held caucuses for the nominations of their representatives for the Local Executive Board.

## Retirement resolutions and officer nominations

Maui Business Agent Abel Kahoohanohano, Jr., retired earlier in the year and Kauai Division Director Michael Machado will retire this year. Resolutions honoring the two ILWU leaders were adopted by the Convention on the fifth and last day. ILWU International Vice President (Hawaii) Wes Furtado addressed the Convention before handing over the nomination of candidates for the Local's Titled Officers and Local Executive Board Industrial Grouping Representatives to retired Local President Fred Galdones.

President Donna Domingo, Vice President Teddy Espeleta and Secretary-Treasurer Guy Fujimura were nominated and will be running unopposed. The following candidates were nominated to the Local Executive Board:

Samuel Kaaihue (Longshore grouping), Samuel Ramirez (Pineapple grouping), Boyd Isnec (General Trades grouping), and Rhonda Morris (Tourism). Ester Manibog & Charles Andrion were nominated to represent the Sugar grouping and will face a run-off election to determine the winner.

Many of the delegates were active and vocal in the committees and on the floor of the Convention. Some debates were heated, but differences were always settled by full discussion and a democratic vote. The Convention left the Local more united and stronger than ever.

The actions of the Convention must be submitted to the membership of the union for their approval. Ratification meetings will be held in October and November in all Divisions to give members a report of what happened at the Convention and to get their vote of approval. The next issue of the Voice of the ILWU will contain more details on the work of the Convention.

Look for a detailed report on the Convention in the next issue of the VOICE of the ILWU
