The VOICE of the ILWU—Published by Local 142, International Longshore & Warehouse Union

## Notice of ILWU Local 142 Election

This issue of the Voice of the ILWU is your official notice of the 2012 ILWU Local 142 Election. It contains the positions and candidates who will appear on the ballot and the dates, times and locations of voting for your unit. This issue also contains statements and photographs submitted by candidates.

The dates, times and locations of voting for your unit are listed separately by geographical division—Hawaii, Maui, Kauai, and Oahu—and sorted by unit number. Hawaii Longshore Division voting schedules are listed as they have been in the past; they are included in the geographical division where the unit is located. For example, the Unit 2201 - Kahului Stevedores schedule is included in the Maui Division list. Look up your unit number or company name and take note of the dates, times, and locations indicated for your unit.

For most members, THERE WILL BE NO OTHER OFFICIAL

NOTICE OF THIS ELECTION. Some units may post this notice on their union bulletin boards, but this is not required for all units. In a few cases, where there is an error or change in this notice, members may receive an updated notice in the mail. However, for all other members, this will be your only notice of this election.

### Candidate statements

All candidates in the upcoming ILWU Local 142 elections had the equal opportunity to submit a photograph and statement which would be printed in this issue of the VOICE of the ILWU. The deadline for submission was 4:00 pm, September 28, 2012.

The statements were limited to 200 words and those statements longer than 200 words were cut to the last complete sentence. Otherwise, the content of the statements are printed exactly as received, with no editing for spelling, punctuation, or grammar.

All attempts were made to preserve the physical appearance of the original statements—capitalized words, underlining, boldfacing, and italicizing were maintained. However, all statements are printed with the same fonts and font size, except where limited space required a smaller font size.

Some candidates did not submit a statement or photo. Their names are printed and we indicate that they did not submit a photo or statement by the deadline.

### Elections Committee

The ILWU Local Election Committee is made up of one representative from each Division. The current members are Francis Kamakaokalani from Maui Division, Herbert Kekuawela from Kauai Division, Frankie Pang from Hawaii Division, Allen Rabut from the Hawaii Longshore Division, and Eddie Sekigawa from Oahu Division.

## ILWU Local 142 rank-and-filers make important policy decisions 26th Triennial Local Convention

The rank-and-file members of the ILWU Local 142 make the policies that direct the work of the Local union. This democratic duty of ILWU Local 142 members is done once every three years at a four-day Convention. The 26th ILWU Local 142 Convention was held this year from September 18-21 at the Hilton Hawaiian Village in Honolulu, Hawaii.

A total of 450 delegates, observers and special guests attended the Convention. Members from Hawaii, Maui, Lanai, Oahu and Kauai all attended, representing the entire state. The delegates worked hard for four days and a few evenings to make decisions that will guide the union for the next three years. All actions of the Local Convention take effect upon adoption by the Convention.

### Honored guests call for political action

Congresswoman Colleen Hanabusa

delivered the Welcome Address. Hanabusa spoke on the history of the Longshore and the ILWU. She called on the membership to support the Longshore Division in protecting the Jones Act, educating the Convention on the importance of the Jones Act, here in Hawaii. ILWU International President Bob McEllrath followed the Congresswoman with a speech from the heart. He recognized the hard work of International Vice President (Hawaii), Wesley Furtado. He shared with the membership the struggles of

(L-r) International Vice President Hawaii Wesley Furtado, U.S. Representative Congressional District 2 candidate Tulsi Gabbard, and International President Robert McEllrath at the 26th ILWU Local 142 Convention. Members are urged to vote for ILWU-endorsed, worker-friendly candidates Gabbard, Mazie Hirono (U.S. Senate), and Colleen Hanabusa (U.S. Representative Congressional District 1) in the November 6, 2012 General Election.

The next Local 142 Executive Board (LEB) meeting is scheduled to start at 9:00 am on December 14, 2012, in Honolulu at the ILWU building on 451 Atkinson Drive. ILWU members are welcome to attend as observers.

## Local President

**Local President Candidate Sheldon Biga**

Aloha I am Sheldon Biga. I have been a member since 1975 and have held various positions including Steward, Temporary Business Agent, Negotiations Committee Member, Membership Service Chair, and Local Executive Board Member. Currently, I am Lead Millwright Journeyworker and Crane Operator for HC&S. Born and raised in Wainee Village in Lahaina, Maui, the values of unity and solidarity are rooted in me. I had the privilege of growing up in a community that was successfully interconnected as a family, where each person worked hard and diligently so that all could share in the fruitful benefits. This also proved fundamental during difficult times, when all families would pull together and align to overcome hardship. I carry these lessons and abilities with me as I serve my family, my community, and the ILWU. I believe my passion and commitment will bring transparency in leadership and communication and strengthen unity between leaders and members. I have faith in our members, faith in ILWU, and faith in myself to join together to overcome significant struggles so that everyone may share in the triumphs. United we stand, divided we fall. An injury to one is an injury to all. Mahalo, Sheldon Biga.

**Local President Candidate Donna Domingo**

Donna Domingo, President of the ILWU Local 142. Currently I'm the standing President, And I am honored and grateful to be given the opportunity to serve in the highest level of this Union. Come November the ILWU Local 142 membership will be faced with electing officers to serve this Union for the next 3 years. I ask again for your support and consideration in allowing me to serve as your President. I'm grateful for the opportunity to have served the membership for the past 8 years as the Vice President. The next 3 years we will emphasize on Education, and Training, for the up and coming future leaders and members, I heard you at the convention loud and clear. And I agree. The ILWU has a rich history like no other Union, and I am proud of it. Our forefathers instilled the democracy, and Principles in our Union. And I will uphold that legacy. "Unity, Solidarity, and Strength" "An Injury to One is an Injury to All" it's our Legacy and our Future. Again I ask for your support, and join me to insure that the ILWU Local 142 is here for the future generations to come. In Solidarity Donna Domingo

## Local Vice President

**Local Vice President Candidate Teddy B. (Bear) Espeleta**

I am so humbled by the support I have received upon my nomination as the next ILWU Local 142 Vice President. Thank you to the Brothers and Sisters who attended the 26th Convention. I am filled with gratitude for the love you have shown me and I will never forget that moment we shared. I listened and took to heart what was called for in this Convention. You, my brothers and sisters, have called upon our great union to revive a much-needed Education and Communications program. Knowledge is power. The more each of us know on the Unit, Division and Local level, the stronger our union will stand in defending the working families of Hawaii. I come from humble beginnings – the pineapple fields of Lanai. I have never forgotten the real everyday struggles of working mothers and fathers. In the last 30 years as a member, I have worked in different capacities within the union, learning as much as I could from you, my fellow Business Agents, Division Director, the staff of the Local and our titled officers. I look forward to thanking you, by serving you and representing you as the next Vice President.

**Local Vice President Candidate Wallace A. Ishibashi Jr.**

The candidate most Qualified, Experienced, Genuinely cares for you. Sustaining the quality of Local 142 through Integrity, Honesty, and Proven Performance. I humbly seek your support and vote to allow me to serve as your Local Vice President. With each title officer comes authority, with authority comes responsibilities, and with responsibility comes accountability to the rank and file. I truly believe that the balance of power should be shared between the Divisions. Balance ensures broader perspectives, unique problem solving, no single division should control this authority. As a member in good standing since 1975. FTO since 1993 and current Hawaii Division Director, Proves that I am dedicated and qualified to get the job done. I'm offering my experience as a respected leader and years of administration skills. I understand the needs of the rank and file and what it takes to sustain our family. The cost of living in paradise is spiraling out of control. That burden will always hurt and be born to those on the lowest rung of the economic ladder. The have and the have not's remain constant. Offering my vision to improve the living conditions here in Hawaii. Decisive, Determined, Dependable **Wallace Ishibashi** Defending our core values.

## Local Secretary-Treasurer

**Local Secretary-Treasurer Candidate Guy Fujimura**

I have been a member of the ILWU Local 142 since 1974. While at Unit 4402 Love's Bakery, I was a

shop steward, Unit Chair and Chair of the statewide bakery negotiation committee. I have been a delegate to International and Local Conventions since 1977. I have made organizing house calls, produced leaflets and participated in planning organizing campaigns. I have taught classes to the rank and file leadership. I have been the Union's spokesman in negotiations. I am the Local's Political Action Coordinator and have presented the ILWU's Program at Legislature. I have had the honor of serving as your Local Secretary-Treasurer since 1985, responsible for the Union's finances and records.

Our recent 26th Convention has passed an aggressive, rank and file program, founded on our extraordinary history and democratic, progressive principles. We have a responsibility to lead in the continuing struggle for economic, social, and political justice, not only for our members and their families, but for the working class in Hawaii, our nation and throughout the world. I urge you to support candidates in our Union election with the drive and leadership to bring us together and move us forward. Support your ILWU.

Brothers and Sisters of ILWU Local 142 Kauai Division,

We are faced with many challenges in guiding the future direction of our Union. In order to achieve the level of effectiveness in our union that best serves the rank-and-file, I strongly believe we must listen to the voices and service the needs of our workforce. I understand and have the working knowledge and experience that will bring results.

I have fought for a lot of things that was not popular but for the cause of the membership. Taking the right stand is not always the popular one, but at the end of the day, it's about servicing our members.

I take this time to humbly request your vote for me for Kauai Division Business Agent in the upcoming 2012 Local elections. We must be committed to continue working closely together to bring about change for our Kauai Division.

Thank you for your consideration for a favorable vote for Business Agent.

Aloha Brothers and Sister,  
For the last nine years I have had the privilege of serving as your Business Agent. I would like to ask for your support in my bid for re-election.

I won't lie, there are moments when I have a love/hate relationship with some of the different challenges this job presents, however, I really do love representing the membership.

People ask what is my mission statement? I am not sure I have one, I can promise to give my best, to try hard, listen more and talk less.

Mahalo,  
Pamela Green

Aloha Kaua'i Members,  
A Sincere Mahalo for allowing me to serve as your Business Agent for 3 years.

It's a humbling, and challenging experience, I graciously thank unit officers, and members, for their Kokua.

I've served on the SHPDA commission for 8 years, the last several as chairman. I'm currently serving as a member of the State EMSAC commission.

I've coached AYSO, K-PAL, Boys and Girls Club, Little League. Served my country in the USAF, and Hawaii Air National Guard.

Volunteering was my way of giving back to my Community, Island, State, and Country to which I'm proud to have been born and raised.

Being a union member at Princeville Operating Company since 1975, and Chairman for over 20 years have given me the experience I needed for the challenges that I've endured. Working in many departments, housekeeping, bell, engineering, and golf course taught me to appreciate all the jobs and hard work that members do.

The process I've experienced, includes negotiating multiple contracts in various industries, including but not limited to acquiring cost free medical plans for some units.

I humbly ask for your continued support as your Business Agent.

The Longshoremen's Bond of Solidarity  
To exercise the freedom my union gives me and voice my opinion. To work always watching out for each brother and sister's safety on the job. To stand on union principle and stand as One when the issue needs a decision to be made. To protect the docks from foreign ships. To resist any and all forms of union corruption. To promote freedom of belief, thought and speech among fellow Longshoremen and union brothers and sisters. To protect the collective bargaining process and exercise Robert's Rules in meetings. To Stand in Solidarity against all those who try to divide our great Union and our docks. This Bond of Solidarity is what a Longshoreman is made of. Without us there is nothing possible. It is only with our disunion that wrong is done to us. When we are hasty and distrustful and play off against each other is when no Progress is made. And the creed of Solidarity is only this:

**Division Director Candidate  
Michael S. Yamaguchi**

I humbly thank you for your support. It is an honor to serve you, and I stand ready and eager to work hard as Oahu Division Director.

Like me, I know you believe that the rank and file is the bloodline of ILWU. I have been a member of the Honolulu Advertiser since 1996, and served as Shop Steward, Unit Secretary, Unit Editor, Business Agent, and Local Representative.

Our Director must be committed to ILWU's history, and have the vision to lead us forward, stronger and

more unified. With transparency and teamwork, I will build the Division, be accessible, and protect your rights.

As work environments evolve, our Director must be respected by employers and successfully negotiate with them, always being mindful of our members. I have established constructive relationships with employers, which has led to the negotiation of favorable contracts and positive outcomes for displaced members from a number of companies.

My experience as Honolulu Liquor Commission Chair and Honolulu Fire Commission Vice-Chair further enhances my leadership skills, which I will use to move ILWU forward.

I humbly ask you to support me, Mike Yamaguchi, for Oahu Division Director. Together, we will continue to grow ILWU's proud legacy.

**Business Agent Candidate  
Shane A. Ambrose**

Dear Brothers & Sisters,  
Aloha, my name is Shane Ambrose. It is With great pride and a strong commitment to service that am seeking your support once again for the position of Business Agent, Oahu Division.

I strongly believe as the technology moves forward, we must as a Division forge ahead to meet its challenges. The use of the computer and the Internet will be essential to improving regular means of communications with the members. This valuable and versatile resource will help to educate the members and help reduce the administrative burdens that leave us less time to engage with you, the member, personally.

During the convention, I helped author a resolution which passed on the convention floor to explore the use of Social Media by Local 142. With your support we can bring our Division up to date with the newest, most efficient form of communications to add to what we already do to keep you informed.

Once again, I will continue to uphold and protect the principles and values that help guide this great Union by utilizing the latest technology to meet the needs of the membership Mahalo!

Shane Ambrose 2013

**Business Agent Candidate  
Wilfred "Wil" Chang**

I first became a member in December 2006. The following year, I was elected unit chair at Waikole Golf. I served the membership to the best of my abilities all while we endured a change in ownership in 2009-2010. These trying times, we had to recycle cans just so we could buy gasoline for equipment. This taught all of us the importance of being a part of the ILWU. The Division Executive Board meetings served as an instructional guide to solving these kinds of problems. I have been active in educational classes and the events provided by the Local. I fully intend to encourage other members to participate.

In 2010, I became a member of the Oahu Division Political Action Committee. In March 2012, I became the Oahu Division Political Action Co-Coordinator. I have worked closely with ILWU Local 142 endorsed candidates and our membership and would like to take that experience and share with the membership how important political action is in helping the working families of Hawaii.

I have the work ethic, skills and ideas to serve you well. I humbly ask for your vote, so we can achieve our goals in Solidarity.

**Business Agent Candidate  
Paris E. J. Fernandez**

I have dedicated 15 years working on vehicles. Now it's time for me to work for you, the rank and file of our union. My name is Paris Fernandez and I ask for your vote to elect me as your Business Agent for ILWU.

I have been a member of the ILWU Local 142 (unit-4410) for 15 years. I graduated from the ASSET program in 1998, as an apprentice mechanic. I quickly worked my way up to journeyman in 2002. I have devoted the last 4 years serving as a shop steward, secretary, and vice chair at Honolulu Ford.

I recently had the privilege to serve as a temporary Business Agent servicing other units, drafting reports, and following up with members. This experience ignited my passion to become a stronger representative for you. I'll work diligently to represent our members, stewards, officers, and employers to resolve any issues that may arise by utilizing my strong leadership, management, and negotiation skills.

I believe with Integrity, Loyalty, Will, and Unity, I am the best person to represent you as your ILWU Oahu Division Business Agent. My commitment is to serve you and it will be an honor to do so.

**Business Agent Candidate  
Dillon M. Hullinger**

My name is Dillon Hullinger I have been an ILWU member for 23 years working for Foodland Supermarket. During my time in the unit I was a Steward, a unit Vice Chair, and for 9 years I served as the Unit Chair. I served on the Foodland's state wide negotiating committee since 1997 and was the negotiation committee chair for the last 3 negotiations. I have attended numerous International Conventions and Local Conventions.

Most recently in 2010 I was appointed as a Business Agent, I have learned and experienced a lot of new things in this position from negotiating contracts to representing and servicing the membership. I think the best way to get people involved in the Union is by sharing what you have learned to give the membership more knowledge and understanding.

I would like to thank everyone at the units and members who tough me new things in this position and would like to continue to gain new knowledge and experiences and pass it on to the up and coming future leaders of the units and our Union.

I ask for your support in allowing me to serve your units and the membership of this Union again.

**Business Agent Candidate  
Karl Lindo**

My name is Karl Lindo and I am running for re-election for Business Agent on Oahu. I have been a member since 1989 as a hotel worker from Hawaiian Waikiki Beach Hotel and served the unit as a Vice Chair and Unit Chair.

Prior to becoming a Business Agent in 1995, I was a Organizer for the union trying to help non-union workers join the ILWU as members. As a Business Agent for the last 18 years, there have been many challenges in servicing our members. Negotiating contracts, filing grievances, helping workers address problems and issues to hopefully improve and better their lives at their jobs.

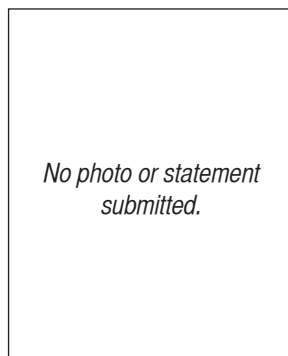

A very important part of being a Business Agent is teaching our members how to build a strong Union at their workplace. The Unit Leaders and Members are the difference in how strong we are as a Union and how effective we are as Business Agents. You are a very important part of what I have been able to accomplish in all my years representing you.

I sincerely thank all of you for your dedication and hard work in representing your members and for all the support you have given me. Mahalo.

**Business Agent Candidate  
Jose M. Miramontes**

Aloha my sisters and brothers of this great union ILWU LOCAL 142. My name is Jose Miramontes I am running for business agent of the Oahu division. For some of you I'm a new face but I'm no stranger to the ILWU since 1997 I've been with my unit 4405 Hawaii Logistics formerly known as (Fleming Foods) Starting out as a shop steward and working my way up as Vice chair and sitting on two negotiating committees and also sitting on the labor management committee I have faced challenges dealing with new management and getting results. Created a family day picnic with my unit to build a stronger unity among our brothers and sisters. My others positions held with the local was honored to have recently represented the general trades in the International Convention in San Diego (2012), and been part of 4 conventions and sat on constitutions committee. this past year was recently assigned as temp Business Agent and I also sit on the political action committee as the co-chair and been active with organizing the unorganized that has thought me a lot about what a union contract means and to uphold the contract.

Aloha fellow ILWU members!

I can't say I am the most experienced, but I can promise that I am eager, honest, compassionate, and driven. I value credibility, accountability, and honesty above all. I chose to come forward so I can make a difference. I have seen and experienced first-hand the benefits of a union and strongly believe in its purpose. It's time for change. It has been a pleasure to serve you as a Hawaii Division Business Agent for the past six years. But I would most of all like to recognize the unit officer's who are so committed to their membership and give so freely their time. It will be an honor to be able to serve you once again. The ILWU Local 142 and all of the members will always be first and foremost to me. However, we have a lot of work ahead of us. The economy is still not where we need it to be and with that said, we will be facing tougher negotiations. But, if we work together we can achieve anything we set our minds and hearts to. I am also proud to be able to work with an amazing team of candidates who will represent Hawaii Division. With this new team comes new dreams and visions for us all as we move forward into the future with this great organization.

**Business Agent Candidate Roberto "Bobby" Andrion**

My Brothers and Sisters of the ILWU Local 142 This last Triennium we embarked on a journey that has taken us to a roller coaster ride of uncertainty in our daily endeavors. This ride of ups and downs has amounted to immeasurable growth and experience in my life, not only as your Business Agent, but as a person.

My commitment and desire to serve the membership has never diminished. We have work that needs our attention in the political arena so we can preserve our future and our children's future.

Once again we reached that crossroad in our lives that we are called upon to vote for the right leaders that will maneuver and guide our great Union forward to a better tomorrow. The right leadership is paramount in giving us a solid foundation to address challenges that we will encounter in the future.

It would give me great honor to continue serving you, as one of the Business Agents from the Maui Division. Therefore, I humbly ask for your kind consideration in this coming election.

Yours truly,

There can be no greater urgency then too maneuver our union to better meet the challenges that is before us. We need to preserve all we gained from our negotiations for all our members and families future.

I want to say a sincere mahalo to all of our units officers/stewards for their thankless time in assisting their fellow workers through one of the most difficult experience we have seen in decades. Changes of ownerships, landowner, managerial companies that is hard adjustment for everyone. Most wondering if their jobs, benefits are protected.

The ILWU banner has always been branded in my family for four generations from plantation to tourism. Ever since then I have been a full time Business agent, representing our members in Construction; Trucking; Super Markets; Shipping; Sugar and Hotels at various times throughout those years. During this time, I successfully participated and helped to facilitate several contract negotiations. I served as a Delegate in several local and international conventions. In addition, I participated in contract negotiations at the Makena Beach Resort (2011).

I am currently an International Executive Board member representing Tourism (2009-current), Local Executive Board member (2009-current) and serve on the Political Action Committee (2012).

ALOHA, AS THE GRANDCHILD OF PORTUGUESE AND FILIPINO IMMIGRANTS, AND A CHILD OF VERY ACTIVE UNION PINEAPPLE AND HOTEL WORKERS, MY ROOTS ARE DEEPLY EMBEDDED IN THIS UNION.

IT HAS BEEN SAID THAT A GOOD LEADER WILL ALWAYS REMEMBER THAT HE IS A SERVANT, CURRENTLY, I AM SERVING AS THE CHAIRMAN AT THE GRAND WAILEA HOTEL, AND SERVING AS THE DIVISION PAC CHAIR. I HAVE SERVED AS NEGOTIATIONS CHAIRMAN FOR THE LAST TWO NEGOTIATIONS AT THE GRAND WAILEA. AND NOW I AM ACTIVELY INVOLVED IN INTERNAL ORGANIZING. I BELIEVE THAT IF WE CAN GET BETTER, WE WILL GET BIGGER.

I BELIEVE THAT TOGETHER WE CAN RESTORE THIS UNION TO THE STATUS OF THE SOCIAL CONSCIENCE OF THE LABOR MOVEMENT. WE CAN DO THIS BY BUILDING A SOLID RELATIONSHIP WITH OUR COMMUNITY, WE CAN DO THIS BY EDUCATING OUR MEMBERS AND THEIR FAMILIES OF OUR GREAT HISTORY, AND BECOME MORE ACTIVE IN COMMUNITY ISSUES. I BELIEVE THAT WE SHOULD DO AS OUR FOREFATHERS DID BEFORE US, EDUCATE AND MOTIVATE!

MY FATHER TAUGHT ME TO BELIEVE IN THREE THINGS, I BELIEVE IN GOD, I BELIEVE IN MY FAMILY, AND I BELIEVE IN OUR UNION! PLEASE VOTE: JASON MEDEIROS FOR BUSINESS AGENT

**Business Agent Candidate  
Paula Phillips**

Aloha Brothers and Sisters of the ILWU,

My name is Paula Phillips and I am running for the office of Business Agent –Maui Division.

I am a proud member of the ILWU. I joined in 2000 when I became employed at Hale Makua Health Services. I have been unit chair for the past 10 years, attended the last 3 Hawaii conventions as a delegate and have been in attendance & involved in all negotiations in the last 12 years at Hale Makua .

As a rank & file member, I know how hard these tough economic times have been for us all. Employers are using the recession to carve away at the gains we made during better times.

Our management pleaded financial distress and 6 positions in our unit were lowered from full-time to part-time with drastic reductions in benefits. I was one of the 6 affected, so I know firsthand what this does to our families. This encouraged me to run for office to prevent this from happening to any more of our brothers and sisters.

I am very motivated and looking forward to protecting the rights of the rank & file members on Maui.

## 26th ILWU Local 142 Convention

**26th ILWU Convention—continued from page 1**

the union, on the International level, calling for continued support.

Congresswoman Mazie Hirono. Hirono faces a tough upcoming election against former Governor, Linda Lingle. Lingle is trying to disguise herself as a moderate Republican, in this election. It is imperative that the ILWU Local 142 support Mazie Hirono in defeating Lingle for the good of the working families of Hawaii. Mazie spoke on the dangers of Hawaii electing and sending a Republican to D.C. It could mean that Senior Senator Inouye loses his seat as Committee Chairman of the Appropriations Committee. Videos from Inouye, Senator Akaka and President Obama followed Mazie's address. Each candidate shared how critical this election is in continuing the efforts of putting more working class families back to work and continuing to clean up the economic crisis left by the Republicans.

### **State Supreme Court Justice Edward Nakamura and the ILWU**

Tom Coffman spoke on his latest book, "I Respectfully Dissent: The Biography of Edward H. Nakamura." Nakamura played a silent, but central role of helping the ILWU Local 142 make its political gains, creating some of the most progressive programs of legislation in the state including: universal health care, temporary disability insurance, collective bargaining rights—all that has forever changed the Hawaii worker's landscape. It is encouraged that all members read this part of ILWU Local 142 history.

On the third day of the Convention, 2nd Congressional District Candidate, Tulsi Gabbard, joined the line-up of guest speakers. Former Councilwoman Gabbard, spoke on the reality of the

word—and spirit—of "Aloha." She shared stories of combat and out in the field. She shared these moments to illustrate how her roots saved her in time of war. She laid out her goals and how she envisions representing Hawaii in D.C. Given a longstanding relationship; the ILWU Local 142 had endorsed Mufi Hanneman in the Primary Election. The Political Action Committee was impressed with how Gabbard carried her campaign and proved to share the same values of the Union. Gabbard sought the endorsement of the Union, following the Primary. The PAC welcomed the endorsement for Gabbard on behalf of the Union.

Big Island Mayor, Billy Kenoi, gave a very memorable and entertaining speech. The entire energy of the Convention resounded with Mayor Kenoi's words. He spoke of the importance of creating a Hawaii that carried the traditions and pride of how children are raised on the islands. He stressed that when our children lose hope, Hawaii will be in grave danger. Mayor Kenoi's way of delivering important issues all of Hawaii faces, and the importance that the membership get involved and take political action was inspiring – and was greeted with a standing ovation.

### **International officers attend Local 142 convention**

ILWU International Secretary-Treasurer, Willie Adams, and ILWU International Vice President (Mainland), Ray Familathe, delivered speeches to the Convention. Adams thanked Maui Division Director, William Kennison, for all the years and hard work he gave to the Union. Kennison will be retiring at the end of this year. Familathe shared with the members the continued struggle

**Congresswoman Mazie Hirono explained the high stakes in U.S. Senatorial races this year. Democrats only have a 53 to 47 majority in the Senate, and if Republicans gain just four seats, they will take control of the body. Hawaii senior Senator Daniel K. Inouye could lose chairmanship of the key Appropriations Committee, and the Republican Party would be able set the agenda for the Senate as well as the House of Representatives.**

of the ILA negotiations and the recent Maritime Labor Alliance that was created. Under one roof, the alliance brings the ILA, ILWU, several smaller shipboard unions and the global International Transport Workers' Federation (ITF). ILA President, Harold Dagget, had spoken to the ILWU International Convention back in June. He shared with the Convention the struggles he would be facing in the ILA's upcoming negotiations. He called for unity—a unity that would last past the ILA's negotiations and the ILWU's 2014 negotiations. Currently, Dagget and the ILA are negotiating a new contract but has faced stalls and the threat of a strike. The threat of automation in waterfront cargo handling eliminating waterfront jobs around the world calls for unions to stand together and create a stronger unified response to the employers.

### **All Japan Dockworkers' Union (Zenkowan)**

The final day of the 26th ILWU Local 142 Convention started with a very special guest to the union. All-Japan Dockworkers (Zenkowan) President Akinobu Itoh expressed his gratitude from all the Zenkowan members for the ILWU sending support and contributions in a great time of need, the earthquake and tsunami that devastated 300 miles of Japan's coastline, including 13 ports and 1,848 members. As an expression of gratitude, Zenkowan sent members to Hawaii this past February to participate in a protest out front of Pacific Beach Hotel. Zenkowan will continue to support the boycott of the Waikiki hotel and has been inspired to start a movement in Japan to pressure hotel companies to fulfill their social

responsibilities.

International Vice President (Hawaii) Wesley Furtado concluded the speakers to the Convention. Furtado has a long history of working in organizing, prior to taking his International VP seat. He spoke of the need for the organizing to be strengthened. The work of organizing is never finished. With strategy and strength, the organizing efforts of the union will continue to grow.

### **Officers nominated**

On September 21, the last day of the Convention, delegates nominated candidates for the union's titled Local officers and Local Executive Board Industrial Grouping Representatives: Sugar, Longshore, Pineapple, General Trades and Tourism.

The ILWU Local 142's Acting President, Donna Domingo, and Maui Division rank-and-file member, Sheldon Biga, were both nominated to represent the membership as ILWU Local 142 President.

The nominations for Vice President presented a surprise to the Convention. Maui Division Business Agent, Teddy Espeleta, was first nominated for the Vice President seat. Hawaii Division Acting Division Director, Wally Ishibashi, was then nominated. Maui Division Grand Wailea Unit Chair, Jason Medeiros, was nominated as a third candidate for the Vice Presidency seat. According to the Constitution, if more than two candidates are nominated at the Convention, a Primary Election is held on the floor of the Convention. Both Ishibashi and Espeleta withdrew from their respective seats as DD and BA and accepted their nomination to serve as ILWU Local 142 Vice President. When it came time for Medeiros to accept

**Honolulu Mayoral Candidate, Kirk Caldwell, speaks to the Convention about his goals in improving the City. Caldwell recognized with gratitude the amount of support he's received from the ILWU and a majority of labor unions in Hawaii, as well as private businesses. He shared his hopes in extending a 'thank you' by working together, if he is the next Honolulu Mayor.**

his nomination, he requested a special privilege to speak. It was granted on the condition that it answered whether he accepted or denied his nomination. Medeiros expressed to the Convention, given the three nominations, he does not feel right about "splitting the union." Medeiros did not accept his nomination to serve as Vice President.

The Local Executive Board Industrial Grouping Nominees are as follows: Kelly Ruidas (Sugar), William "Baba" Haole (Longshore), Douglas Cabading (Pineapple), Bryon Ponte (General Trades), Lynden Koerte

(General Trades), Ronald Johnson (Tourism), and Helene Kaiahua-Sado (Tourism). Ian Cabatingan was also nominated as Local Executive Board Sugar Industrial Grouping representative, but he later withdrew his nomination.

### The work of the convention

The work of the Convention took four days of committee meetings, discussions and reports. On the first day, delegates worked in one of three committees: Contract Administration, Constitution & Resolutions, and ILWU

Programs. The work continued into the second day, reviewing the Officer's Report, organizing and resolutions. The work of all the committees must be approved by the entire Convention. Delegates adopted a budget to pay for the work of the union for the next three years. Delegates adopted a budget that would reinvigorate the Education program needed for the next three years. On the last day, delegates nominated the candidates for the three top officers of the union and the industrial grouping members of the local executive board. The next

Convention will be in September 2015. The International Convention will be held in June 2015, in Hawaii, as well.

The actions of the Convention must be submitted to the membership of the union for their approval. Ratification meetings will be held in October and November in all Divisions to give members a report of what happened at the Convention and to get their vote of approval.

The next issue of the Voice of the ILWU will contain more details on the work of the Convention.

### 26th Biennial State Pensioner Conference held on Maui

The 26th Biennial ILWU State Pensioner Conference was held on July 10-12, 2012 at the Maui Beach Hotel, an ILWU house. The conference was designed so ILWU pensioners could gather for a few days of fellowship, fun and a good discussion of the union's programs.

A total of 119 pensioners, Memorial Association members, Division titled officers and Local titled officers and staff were in attendance. Maui Division had 41 in attendance, Hawaii Division had 40, Kauai Division had 19, and Oahu Division had 14 in attendance.

On the first day, Local 142 Secretary-Treasurer, Guy Fujimura, Maui Division Director William Kennison spoke to the pensioners, welcoming them to the Conference. Maui Mayor Alan Arakawa, as well as, candidate for 2nd Congressional District, Mufi Hanneman and

Congresswoman Mazie Hirono spoke to the pensioners. ILWU Local 142 pensioners are well known for their political action. Following the speeches and meet-and-greet with each of the candidates, the pensioners continued with their strength in political action and sign waved with the candidates for an hour. The night was ended with a beautiful dinner and bingo at the Union Hall in Wailuku.

The second day of the conference started with Division caucuses to select representatives for State Association Officers. Representative Keith-Agaran, chair of the House Judiciary Committee came to speak to the pensioners. The Conference considered resolutions and reports from each club. A banquet capped off the night with entertainment at the Maui Beach Hotel.

The last day of the Pensioners Conference was designated for an excursion trip to Wailea to stop at the Grand Wailea and a visit to Iao Needle and Iao State Park. The Conference was a huge success

and the Pensioners made the decision to bring a resolution to the 26th Local Convention asking for one vote within each Division within the Political Action Committee. It was not passed, but sparked a huge discussion and illustrated to the rank-and-file the importance of political action.

**Congresswoman Mazie Hirono, attends the 2012 Pensioners Conference, and asks for the continued support of the pensioners in the upcoming battle against Linda Lingle for United States Senate.**
